Sir:

In the Notice of Allowability dated May 31, 2006, the Examiner included an Examiner's Statement of Reasons for Allowance. Applicant has reviewed this statement and has found that there are a few minor typographical errors. Accordingly, applicant proposes the following changes in the reason for allowance for the purpose of clarity:

The following is an examiner's statement of reasons for allowance: The prior art cited does not anticipate individually nor teach in combination the following limitations:

A light guide plate made of a plate-like light transmitting material and having a bottom side that comprises a plurality of different kinds of reflection[[s]] means that form a reflection surface; and an illuminating light source arranged opposite a light receiving side surface of the light guide plateate, wherein two of the
